Inside this Issue

IQAC NEWSLETTER

Academic Year 2017-18

Editorial Desk

The IQAC of HSADACS College functions as per guidelines of NAAC. It continuously strives for upgrading physical and ICT infrastructure. Apart from that, the IQAC plays crucial role in organizing National and State level seminars, conferences, workshops and FDPs for enhancing quality in Teaching-Learning in the classroom. IQAC drafts the plan of action and observes it systematically to achieve the target. The present Newsletter is a record of quality initiatives and assurance steps taken by the institute .

Message from the Principal

It is really pleasurable that the IQAC of this college publishes its newsletter regularly. The IQAC newsletter helps the institute to take review of all achievements and it also helps the institute for future planning. The IQAC newsletter summarizes all the curricular, co-curricular and extra-curricular activities organized by the institute throughout the academic year 2017-18. I congratulate the coordinator of IQAC and editorial board for bringing out this wonderful issue & hope it will bring positive impact.

Vision	May the darkness of ignorant disappear *(duritanche timir jaao)*
Mission	To mould a self-reliant generation through value based education with a pride and predilection of our cultural heritage and undertaking personality development through the mingling science, culture and philosophy.
Goals	1. To promote development of the person, the family and the society through quality education. 2. To carry and extend quality education to the maximum areas of deprived communities and girls in rural area. 3. To create and provide a complete, updated and advanced educational structure and infrastructure to the learners of rural area. 4. To inculcate in the students' thirst for modern and global knowledge, scientific attitude, awareness for the preservation of the environment, pride of cultural ethos, quest for excellence and respect and commitment towards the society and our nation. 5. To empower students with advance modes of learning and skills, updated information-technologies and personality skills. 6. To inculcate in students a sense of devotion and self-less service to the society, state and nation. 7. To strive for the development of student by value education and motivate them towards the cause of national development.
