

Vision, Mission and Goals of the Institution

Vision	May the darkness of ignorant disappear (<i>duritanche timir jaao</i>)
Mission	To mould a self-reliant generation through value based education with a pride and predilection of our cultural heritage and undertaking personality development through the mingling science, culture and philosophy.
Goals	<ol style="list-style-type: none"> 1. To promote development of the person, the family and the society through quality education. 2. To carry and extend quality education to the maximum areas of deprived communities and girls in rural area. 3. To create and provide a complete, updated and advanced educational structure and infrastructure to the learners of rural area. 4. To inculcate in the students' thirst for modern and global knowledge, scientific attitude, awareness for the preservation of the environment, pride of cultural ethos, quest for excellence and respect and commitment towards the society and our nation. 5. To empower students with advance modes of learning and skills, updated information-technologies and personality skills. 6. To inculcate in students a sense of devotion and self-less service to the society, state and nation. 7. To strive for the development of student by value education and motivate them towards the cause of national development.
