## **Report: AY 2018-19**

Dept. of History, with the concept of understanding issues before India through visual narratives, announced its certificate course on 'Understanding India through Cinema'. The course was designed for UG and PG students. Around 100 students were enrolled for this certificate course.

On the 1st September 2018, the course was inaugurated by the hands of our Hon. Principal Dr. Yojana Jugale. On the same day, Dr. Niranjana Kulkarni (HOD, Dept. of History) made students aware of the entire course structure and its objectives.

The course was completed after 30 contact sessions. Thus, it makes six contact sessions for one unit. Major part of the contact sessions was handled by Dr. Niranjana Kulkarni (Coordinator of the course); some sessions were taken by our colleagues Dr. A. S. Shelke (Pol. Science) and Dr. S. V. Sarvade (History); whereas, all the faculty members of Dept. of History participated in group discussion. After completing each unit, a separate session was reserved for overall summation and general discussion on the completed units.

After the course, the performance of students was evaluated by conducting a test (50 Marks). They attempted 25 MCQ, 2 marks for each question. The test was conducted on 10 October 2018.

On 12 October 2018, the result was declared and the performances of students were appreciated by Hon. Principal through honoring them with certificates. On these days, some of the students shared their experiences. We observed that they are trained in reading visual narratives (here, 'Cinema') to understand issues/history. Besides, the qualities of keen observation and critical thinking; as well as expressing them, were developed into them, during the entire course. They were also aware of the difference between meaningful-good and commercial cinema.
