Aims and objectives of Activity	<i>The objective of this activity is to give the students valuable in new scientific information in new generation in perl culture.</i>
Resource Person (Desig. & Office)	To Promote Scientific Awareness, Highlight The Importance Of Perl Culture And Perl Farming.
Target Group & Participant Number	B.Sc all students
Brief Report	Organized a one-day workshop on pearl farming on 11, September 2025 by the Department of Zoology. On this occasion, the mentor for this workshop Hon. Shri. Dilip Kamble Sir, place Sarwade guided the students about the technology, practice and various opportunities and income generated from it. The students of the science department of the college saw how pearls of different shapes are made and did everything by doing hands-on practical work to make pearls of different shapes. The president of this program, the principal of the college, Professor Dr. Niranjan Kulkarni, inspired the students to create new industries and generate good income from this. The workshop was organized by the coordinator of the workshop, Professor Mandar Rukdikar and co-coordinator Professor Sachin Kamble and Professor Gautami Gaikwad. All the professors from all B.Sc. Departments were present in these programs.
