

BEST PRACTICES

Best Practice- 1

Title of the Best Practice: **Vibrant Community and Outreach Activities**

1. Goal:

The prime aim of organizing community and outreach activities is to create awareness regarding social issues among students and staff. It also aims to harmony between academia and society. One more objective of this practice is to contribute towards sustainable community development.

2. Context:

Holistic development of the students and creating a sensible generation are the major objectives of any higher educational institution. The local community faces challenges such as inadequate education, health services, and environmental degradation, which provide an opportunity for the institution to make meaningful contributions through structured outreach programs.

3. Practice: The institution organized a campaign of Fit India Daud and AIDS Awareness and HIV Check-up Camp, Plastic free environment awareness program and Swachh Bharat Abhiyan for the health benefit of student fraternity as well as the society. Further, through the NSS Unit, the institution organized seven day special camp in which a cleanliness drive and few awareness programs were organized.

4. Evidence of Success: Reports of the events and the participation of the students and local citizens.

5. Problems Encountered and Resources Required: Limited financial resources and encouraging the local citizens to participate in these practices.

Best Practice- 2
